This Auto & General Staff offer is valid from 6 May 2013 to 6 August 2013

This price fact sheet presents a summary of the rates you will be charged and key features and other fees that may be applicable if you accept an electricity contract offer from Dodo Power & Gas. If you would like further information (including our full terms and condition) or are interested in taking up this offer go to www.dodo.com.au/powerandgas and follow the links to our quoting page; or call us on 13 dodo (13 36 36).

This fact sheet is only applicable to Auto & General Staff in the Energex Distribution Zone for the metering configurations provided.

Key features of this offer

Pay on Time Discount
Pay your instalments and your bill on time (by the date specified on your bill) and get a Pay on Time Discount (PoTD) off your electricity consumption. The PoTD is calculated after the full amount of any applicable government concessions is deducted.

Automatic Payment Plan
This offer is only available where an automatic payment plan is established. Payments are based on your consumption and automatically deducted on the date you set. Automatic Payments from Credit Card or Direct Debit only. Direct Debit payments incur a $1.00 ($1.10 GST inc) payment per transaction. Your first instalment is deducted before you transfer to Dodo Power & Gas. When your meter is read and your bill calculated, any balance owing is deducted along with your next scheduled instalment; Monthly payments will be regularly reviewed, using your actual electricity consumption

Online Account Management
Easy access to your billing information and to update your details using Dodo's online Account Management service.

Electronic Billing
Convenient electronic bill delivery. You can choose to have your bill posted for $1.00 ($1.10 inc GST) per bill.

Promotional Offers
From time to time, Dodo Power & Gas may provide promotional offers (including one-off payments and/or products) through promotional codes, which may be redeemed when signing up. These codes do not change the rates, fees or charges of this offer.

Available Discounts
This “No Term” Contract offer is for a limited time only and expires on 6 August 2013

No Term Contact
Enter a “No Term” contract and receive 10% Pay on Time Discount off your electricity consumption

Fees
Early Termination or Exit Fees
Termination/Exit fees apply do not apply to this offer.

Payment Processing Fees
Credit Card payments do not incur a fee. Direct Debit payments incur a $1.00 ($1.10 GST Inc) payment per transaction. Payments made by BPay or other methods may also incur a processing fee.

Printed bill fee
A printed bill fee of $1.00 ($1.10 inc GST) applies to each posted bill.

Connection and Disconnection Fees
Reconnection and disconnection fees do not apply during normal business hours. Afterhours, a reconnection fee of $92.63 ($101.90 GST Inc) may apply.

Dishonoured payment fees
Dishonoured Payment fee of $8.64 ($9.50 inc GST) may apply to payments we attempt that are subsequently declined.

Additional fees
Other charges that may be applicable are specified in the Additional Retail Charges schedule which can be viewed on our website at www.dodo.com/dpginfo or contact us on 13 dodo (13 36 36)
Options

**Dodo 10% GreenPower.** Dodo 10% GreenPower costs $0.06 per kWh ex GST ($0.066 inc GST) applied to 10% of your total kWh usage. The Pay on Time Discount does not apply to Dodo GreenPower costs. Choose Dodo 10% GreenPower and you can offset 10% of your household's electricity consumption with Accredited Renewable Energy. This energy is added to Australia's electricity grids. The remaining 90% of your electricity consumption will come from the usual electricity sources.

**Dodo 100% GreenPower.** Dodo 100% GreenPower costs $0.06 per kWh ex GST ($0.066 inc GST) applied to 100% of your total kWh usage. The Pay on Time Discount does not apply to Dodo GreenPower costs. Choose Dodo 100% GreenPower and you can offset 100% of your household's electricity consumption with Accredited Renewable Energy. This energy is added to Australia's electricity grids.

Feed In Tariffs

From 10 July 2012 the Queensland Solar Bonus Scheme feed-in tariff will change from 44 cents per kilowatt hour to 8 cents per kilowatt hour. Existing Scheme customers will continue to receive 44 cents per kilowatt hour. The 8 cent tariff will begin on 10 July 2012 and be reviewed by 1 July 2013. It is scheduled to end on 1 July 2014.

Other important details

Cooling off period

A 10 business day cooling off period applies.

Variation of Prices

We may change these rates as set out in our Energy Market Contract Terms and Conditions. If we do change our rates, we will give you at least 10 business days' notice. This notice will include a future date on which the change will take effect.

Concessions or Rebates

If you are eligible, you can apply to receive Government concessions or rebates when you sign up with us.

What happens on contract expiry?

"No term" contracts do not expire until you notify us in accordance with our Energy Market Terms and Conditions.

Further information

For further details on the information presented in this fact sheet, or the terms and conditions of the contract, please visit www.dodo.com.au/powerandgas for details or call us on 13 dodo (13 36 36).

Eligibility

The details presented in this Price Fact Sheet are for Auto & General Staff located in the Energex distribution zone and verification of your meter configuration. Offers vary based on distribution zone, and may not be available in all areas in Queensland. Further eligibility criteria may apply. See our full terms and conditions to www.dodo.com.au/dpginfo for details.

About this document

This Price Fact Sheet is presented in accordance with the requirements of the Queensland Competition Authority (QCA). For information to help you compare electricity offers that may be available to you, please visit www.qca.org.au.

*Residential (T11) This is the basic tariff/rate for general domestic Consumption such as lights and power outlets. Most domestic customers are supplied under this network tariff. This tariff has a fixed Daily Supply Charge# and an energy Consumption charge that applies 24 hours per day, 7 days per week.

**Controlled Load 31 (Super Eco) -** applicable to permanently connected equipment such as electric storage water heaters, solar water heaters, heat pump water heaters and heat banks. Supply will be available for a minimum 8 hours per day, at the absolute discretion of the distributor, but generally between 10pm and 7am.

***Controlled Load 33 (Economy) -** applicable to permanently connected equipment such as electric storage water heaters, solar water heaters and heat pump water heater. Supply will be available for a minimum 18 hours per day, at the absolute discretion of the distributor.

QLD Government Solar Bonus Scheme (SBS) - The SBS scheme pays eligible households and other small customers for the surplus electricity generated from qualifying solar photovoltaic (PV) panel systems. The 44.0 cent per kWh SBS scheme closes to new applicants on 9/7/2012. From 10/7/2012 new applicants to the scheme will receive 8.0 cents per kWh.

#Units - 'c/kWh' = cents per kilowatt hour and is the unit of measurement for your electricity bill. 'c/day' = cents per day.
